

## **Compton Bassett Parish Council**

### **Neighbour Dispute Policy**

We would all like to live in peace with our neighbours, but unfortunately that is sometimes not how things work out.

The Parish Council have no powers to be able to intervene in neighbour disputes.

Our policy is as follows;

- We encourage people to try and resolve issues amicably between themselves.
- Where this doesn't work and people feel that they need further help we can guide them to organisations that may be able to help them
- We cannot become involved at any level other than this.
- We must remember at all times that we are not enabled or skilled to get involved at any other level.

Help may be found at [www.gov.uk](http://www.gov.uk) and this may lead you to our local authority which is Wiltshire Council.

Our advice would be that should you at any point feel threatened or distressed by the actions of a neighbour the Police should be your first line of contact

There is also a website which may have some useful advice which is [www.problemneighbours.co.uk](http://www.problemneighbours.co.uk)
